Thank you from the Club

As our September meeting ran over time, and the room had to be cleared for another booking. We did not have time to thank Bill Earls for giving his time over the last 12 months as our president. Thanks also to Patricia Beal for being our secretary, not only over the last 12 months but also for being our president and secretary the previous year. We would like to take this opportunity to thank them both, wish them well and having a long earned rest. In saying that we know Patricia is still going to be involved with Digital Photography. Also, a thank you goes to Alan Craymer for being our Public Officer for many years, he is taking a long earned rest, unfortunately we didn't receive his resignation until after our meeting so thanks once again Alan.

Due to Digital Photography and Creative Writing only meeting on Monday (the 16th) these are just a few photos from the photo group we hope you like them
