### BE CONNECTED and MORNING TEA

I'm sure you will all agree that we had a great morning at our meeting, and open day on the 16<sup>th</sup> of October.

The event was funded by BeConnected

Lots of lucky door prizes were won, hope you enjoyed them.

Thank you to Rosa for a lovely morning tea, also a big thank you to Olivia, granddaughter of Rosa, a member of our club, for the wonderful cake she made and decorated for our morning.

Thanks, must also go to our regular tea ladies.

The new website was launched by our webmaster Colin Maskill.

Many hours have been put into redesigning it.

Guest speaker for the day was Stuart McPhie from 3G mobile Repair Centre. He spoke about, and displayed, amazing modern technology

### HOORAY. IT'S ARRIVED

After many months with little or no Wi-Fi, which made classes very difficult, we are finally back on air. Recently the NBN was installed to the Creative Centre enabling the classes to operate the Wi-Fi at much better speed.

Thanks to a lot of hard work by Maureen McDonald who spent many hours negotiating with Telstra and others to get the final result.

Our local member (John Alexander) was also very helpful in contacting Telstra, letting them know our predicament and putting Maureen onto upper level management to speed the process of installing the NBN. If you see smiling faces on teachers and helpers you know why.

The last few months have been very trying with Wi-Fi crashing in the middle of classes or not having it at all
